Dear Grower & Dealer:

It is with pleasure I forward you my 1929 Retail Price List. These prices shall stand with me, regardless, thru-out the entire 1929 season. All plants will be 3 to 5 eye dividions, and no other size will be quoted or furnished.

A discount of 50% from these prices will be given Dealers & Growers, with the exception of the Brand Seedlings, which are net.

You will notice some varieties are quoted a little lower, while others, whose stock is very limited in the Peony world, have advanced in price. Inthese varieties we are all creating buyers faster than the stock can be grown, which is a good, healthy business condition.

The prospects for another big Peony year are most promising, and I trust you may enjoy a successful, banner season.
